

**Deployment Exercise Impacts**  
**for**  
**Joint Base McGuire-Dix-Lakehurst Community**

The Joint Base Community may expect some delays in support during the week of Dec. 1-6 due to a deployment exercise. Impacts include:

- The 87th Civil Engineer Squadron will support emergency work orders for McGuire.
- The 87th Communications Squadron will only be able to support emergency trouble tickets throughout the exercise.
- The 87th Force Support Squadron, Military Personnel Section, will close due to the deployment exercise and management of the personnel deployment function for the entire exercise.
- The McGuire Fitness Center will also close from Dec. 1-6. However, the Griffith Field House will be open from 5 a.m. to 10 p.m. to accommodate the joint base community. Additionally, fitness assessments will not be conducted during this time.
- The 87th Logistics Readiness Squadron Vehicle Operations licensing/training office will be closed on McGuire. However, licensing will be open at the Dix Transportation Motor Pool.
- The 87th LRS Material Management office will support “real world” deployers via appointments through their unit deployment manager. Equipment management will also have limited support.
- Support scheduled/routine maintenance with the 87th LRS Vehicle Maintenance office may be delayed due to exercise requirements.
- Delays and possible gate closures.
- Minimal manning due exercise support for the Joint Base Public Affairs Office, the Joint Base Safety Office, the Legal Office, the 87th Comptroller Squadron and the 87th Medical Group.
- Walk-in legal assistance will be cancelled on Dec. 2 and there will be limited legal assistance appointments throughout the remainder of the week.
